

Annual Intermediate ICD-10-CM Coding Update Overview of New and Revised Codes for 2018

September 7, 2017, 8:30am – 5:00pm

Westerre Conference Center, 3831 Westerre Pkwy, Henrico, VA 23233

Annual Intermediate ICD-10-CM Coding Update is a one day session providing **7.0 hours of instruction and practice** with a primary focus on the new, revised and deleted codes for FY 2018 that will be effective October 1, 2017 as well as updates to the Official Guidelines. Additional home health practice scenarios will be included based on available time.

Attendees will be able to:

- Identify new codes for Enterocolitis due to Clostridium Difficile, Sepsis, Severe Sepsis and Septic Shock
- Describe new codes for Malignant Mast Cell Tumors
- Accurately identify and sequence codes for Endocrine, Nutritional and Metabolic Disorders, ie. Diabetes
- Identify and sequence codes involving Mental, Behavioral and Neurological Disorders
- Correctly identify and sequence Circulatory, Respiratory and Digestive System Conditions
- Accurately identify and sequence Diseases of the Skin and Subcutaneous System (**72** new codes for 2018 related to severity of non-pressure ulcers!)
- Correctly select and sequence codes for Disorders of the Musculoskeletal System Injuries and Complications.

Attendees must bring an ICD-10-CM Coding Manual to the workshop.

This education is pending approval by Board of Medical Specialty Coding for 7 CEU's Certification Exam offered the following day- Separate Registration required.

Contact VAHC office for Exam Registration form (804-285-8636)
