September 25, 2018

4050 Cox Road, Glen Allen, VA 23060

SPACE IS LIMITED- This Conference is typically a full house- register early!

Six Managed Care Plans and over 215,000 eligible Medicaid beneficiaries in the CCC Plus Program!!

- Billing review process
- Paper claims processing -vs- Electronic claims processing
- Improve outstanding receivables
- Access to the right contact to receive assistance when needed

Each Plan will be onsite to discuss the Plan specific billing issues and proper adherence to processes and procedures. Join us to receive clarifying information from each managed care plan. Each Plan will have a designated time to discuss what needs to be done to get you paid the first time a claim is submitted!!

Meet directly with the companies that provide EVV services. The EVV VENDOR FAIR will be open from 10:00am - 3:00pm. The agenda will allow ample time to visit with representatives to better understand their product to determine which system is best for your organization. It is **imperative** you make that decision sooner than later to allow for implementation. At this time, you will need to be ready by January 2019.

VAHC is in regular contact with both DMAS and the six Plans relaying information that is brought to our attention by providers to continue to improve on processes effecting both sides and most importantly the patients involved.

It remains critical that you stay abreast of the most up to date information to be a crucial part of this program!

Once registered, if you have specific questions you would like to see addressed, email the VAHC office at vahc@vahc.org
