## QAPI Ready or Not!

Webinar – August 29, 2018

1:00 pm – 2:30 p.m., Webinar Recording Included

The "new and improved" Quality Management Process is here! Do you really understand the differences between what you were doing and what is now expected?

Learn with **Kathryn Roby, BSN, MA, MS, CHCE, Senior Consultant at Qualidigm**, what the "new" QM process requires of us, how to collect and interpret the data that will be the foundation of your new plan, how to formulate that plan and review a sample "PIP- Performance Improvement Plan"

### Objectives:

- Understand the "Prime Directive" that is the driving force behind the new QAPI process
- Identify the data sources needed to zero in on *your* agencies' "high risk" areas
- Create a QAPI plan for July-December 2018 that is data driven
- Create a sample "Performance Improvement Plan" for one focused area
- Identify the ongoing data reporting requirements in this new process

### Continuing Education:

Individuals requesting nursing contact hours will receive a certificate of contact hours earned. Please make sure that you enter the Contact Person's name in the Registration Form. All correspondence and site registration information will be sent to this person. No commercial support has been provided for this program.
