PDGM: Preparations Need to be Addressed Now!

The most significant change in Homecare reimbursement in 20 years will go into effect January 2020. In order to succeed, there are many operational changes that will need to change. It is no longer business as usual. **ALL** staff need to know and understand what their role is and how what they do affects this new reimbursement model. This presentation will focus on the major areas that will be impacted.

Objectives of this webinar:

- Provide overview of PDGM elements and how it will differ from PPS
- Describe the potential impact on providers related to the PDGM payment model
- Describe intake/referral needs related to coding accuracy under PDGM in balance with other non-Medicare payors
- Describe role expectations of the care manager under PDGM as it relates to visit utilization, LUPA management, and outcomes
- Review PDGM patient scenario
