

## The Aide's Role in Understanding CVAs

June 13, 2019 3-4 p.m. EST

Jane Garrett, RN, BSN, MHSA

**Description:** In this webinar, it will be discussed how 80% of all strokes can be prevented with healthy behaviors, long term effects of a stroke may be minimized with immediate treatment and more people are surviving and beating stroke.

**Convenience:** Enjoy the convenience and cost-efficiency of a webinar – watch the speaker's slide presentation on the internet while listening by telephone or through your computer's microphone and speakers (VoIP). There is no limit to the number of attendees from your agency who may participate at your site using one phone line and a computer with internet access.

**Confirmation:** Prior to the webinar, a GoToWebinar link will be e-mailed to you. You will need to register through this link to attend the webinar. You will be sent a confirmation which will include a join link to access the webinar, a dial-in number and an access code to listen in via telephone. You will also be sent any pertinent handouts if available.

**Registration Fee:** Registration fees are based on one phone/webinar connection; multiple site participation for your agency will require a separate registration fee for each connection. Please note: if your agency has sent in 1 registration but 3 people from your agency register through the GTW link, your agency will be invoiced for the 2 additional registrations.
