

Hospice Updates 2020- Webinar Series

February 11, 2020 and February 18, 2020

11:00 am – 12:30 pm

(Recording available through March 31, 2020)

Webinar 1: Hospice Coding Update, February 11, 2020

Objectives:

1. Examine current hospice coding issues including identifying the terminal illness, identifying and coding related diagnoses, and determining unrelated diagnoses.
2. Review diagnosis codes that are prohibited from use as a principal (terminal) diagnosis and examples of etiology/manifestation conventions to ensure compliance with applicable coding guidelines and CMS hospice coding directives.
3. Discuss hospice scenarios for circulatory conditions, mental health and behaviors, and sign/symptoms coding.

Target Audience: Hospice clinicians, primarily nurses, medical directors, agency coders and QA staff.

Webinar 2: QAPI for Hospice, February 18, 2020

Objectives:

1. Review the 2020 hospice quality measures and the components of quality improvement to ensure compliance with hospice QAPI requirements.
2. Discuss data sources for target measure selection, action plan development, and best practices for quality care using examples of hospice QAPI projects.

Target Audience: Hospice quality improvement managers, hospice clinicians, administrators, managers, medical directors

About the Presenter

Teresa Northcutt, BSN, RN, COS-C, HCS-D, HCS-H, Senior Associate Consultant, Selman-Holman & Associates LLC

Prior to joining Selman-Holman & Associates, Teresa served as a Program Manager from Primaris, the Quality Improvement Organization for Missouri. She has presented on-site training for home health agency clinical staff on OASIS assessment and coding, focusing on customized clinical education programs and the practical application of guidelines by field staff. In addition, she has provided educational programs on agency communications and processes, quality outcome improvement, and care transitions for regional and state conferences. Certified in OASIS competency (COS-C), as a Homecare Coding Specialist-Diagnosis (HCS-D), and as a Homecare Coding Specialist - Hospice (HCS-H), Teresa brings comprehensive and contemporary knowledge of home care/hospice and quality improvement methods. Teresa has had experience as Clinical Services and QI/Education manager with home health agencies (independent, hospital-based, and county health dept.), and as a hospital resource nurse, patient educator, and quality improvement facilitator. She received her BSN from St. Louis University.
