### 2 Part WEBINAR Series:

February 25-26, 11:30am – 1:00pm

#### Description:

With the implementation of PDGM, many have experienced new issues.

1. When your patient transfers into a facility, which OASIS do you complete and is it a SOC or a ROC you complete when they come back?
2. What if the patient is still in that facility as the new payment period starts?
3. What is the new process for OASIS DC?
4. Is there a requirement for updating for new diagnoses, changed diagnoses, and resolved diagnoses for a new payment period even if there isn't an OASIS?

What changes in diagnosis coding will improve your opportunities for success in PDGM?

Lisa will answer these questions and more in this 2 part webinar!
