**MARCH - APRIL 2020 | 12 STRATEGIC LOCATIONS ACROSS THE US**

## **PDGM 2020 NATIONAL SUMMITS**

**Key Insights | Best Practices | Lessons Learned**

In partnership with the National Association for Home Care & Hospice (NAHC), the NAHC Forum of State Associations, the Home Care and Hospice Financial Managers Association, and the Home Care Technology Association of America, the Virginia Association for Home Care and Hospice (VAHC) support the upcoming PDGM National Summits.

Now that the Patient-Driven Groupings Model (PDGM) is here, you may be wondering what's next?

We invite you to join us for a one-day intensive summit focused on PDGM content related to on-going performance improvement in financial, clinical, data analytics, and administrative operations. This is not your "run-of-the-mill" PDGM event! Instead, these comprehensive programs are based on real-time, nationwide experiences. Nationally-recognized faculty with the deepest understanding about how to achieve success in PDGM will present timely information based on current data. Comparable in format to the intensely valuable 2019 Summits, the 2020 PDGM Summits will be your key to thriving under PDGM. The major difference is that we are now in PDGM and will have the experiences and data to fully determine the ingredients for success.

Visit the PDGM 2020 website at <http://pdgm.nahc.org/> today to access the full program, learn more about the faculty, and to register.
